

We are looking for a proactive and relationship-driven Placement & Partnership Officer to build strong networks with employers, training partners, and educational institutions. The role is central to ensuring youth placed through the Magic Bus Livelihoods Program are supported in securing and sustaining work or education opportunities.

Key Responsibilities

- Build and manage partnerships with employers, training institutes, and colleges
- Support youth through mock interviews, career counselling, and job-readiness sessions
- Facilitate placements in jobs, vocational courses, or higher education
- Organize job fairs, exposure visits, and guest lectures based on market needs
- Monitor youth progress during training and after placement for up to 6 months
- Ensure effective referral systems and follow-up with partner organisations
- Collaborate with internal teams to improve quality of placement services
- Maintain and report data aligned with program outcomes

How to Apply

Interested candidates may apply by sharing their updated CV with the subject line to shaik.adam@magicbusindia.org
