

We are looking for a dynamic Trainer and Counsellor to deliver structured life skills, employability skills, IT training, and financial literacy sessions to youth aged 18–25. You will guide them in setting career goals, creating personal development plans, and achieving meaningful employment or further education outcomes through the Magic Bus Livelihoods Programme.

Qualifications and Experience

- Graduate in any discipline; diploma/degree in relevant domain is an advantage
- Minimum 1 year of experience working with youth or in livelihoods training
- Knowledge of basic computers and spoken English is required
- Experience in employability training, youth development, or career counselling preferred
- Familiarity with community mobilization and stakeholder engagement

How to Apply

Interested candidates may apply by sharing their updated CV with the subject line to **shaik.adam@magicbusindia.org**
